Public report

[Week 01 report at the selected commit](#)

Preview baseline: 7dfa6d008fef0131a322aa5b948198000176dda3

Kickoff recording

Unavailable: the Customer supplied a transcript and conversation overview, but no recording or recording link. Instructor access cannot be verified.

Privacy

No private links, identity mapping, university emails or credentials are included in the revised public tree; a historical transcript remains with publication permission unconfirmed.
